1

Blessed is the man
who walks not in the counsel of the wicked.

nor stands in the way of sinners.

nor sits in the seat of scoffers.

but his delight is in the law of the LORD,
and on his law he meditates day and night.

He is like a tree
planted by streams of water
that yields its fruit in its season,

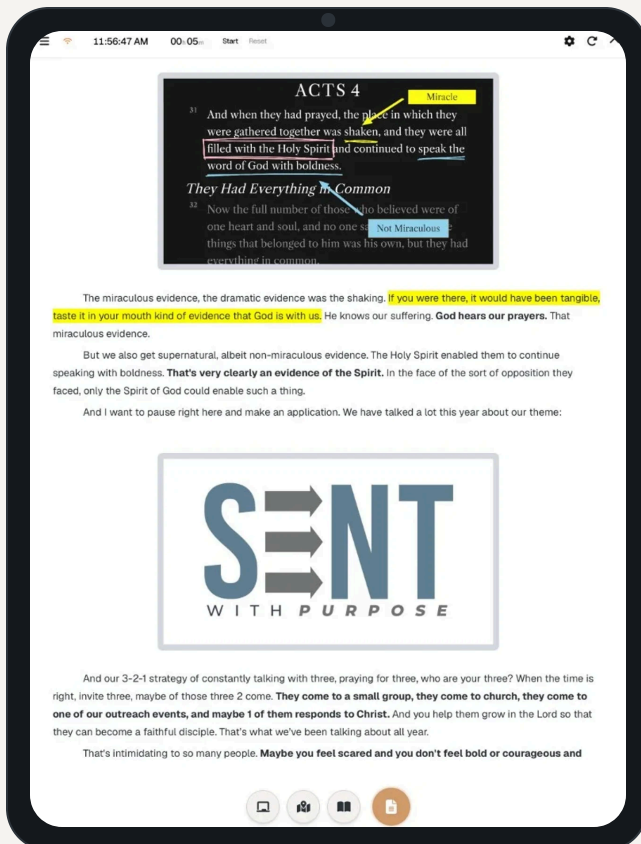

BIBLESLIDES.APP

Verse to Slide in One Click.

BibleSlides turns a passage into presentation-ready slides — verse by verse, with maps, photos, and markup when you need them.

- You bring the sermon. The tool builds the slides.
- Write notes and build slides in the same document — interlaced, not separate files.
- Advance slides from the same place you keep your notes and outline.
- Draw on any slide in real time.
- Built for teaching the Bible — not for generic PowerPoint decks.

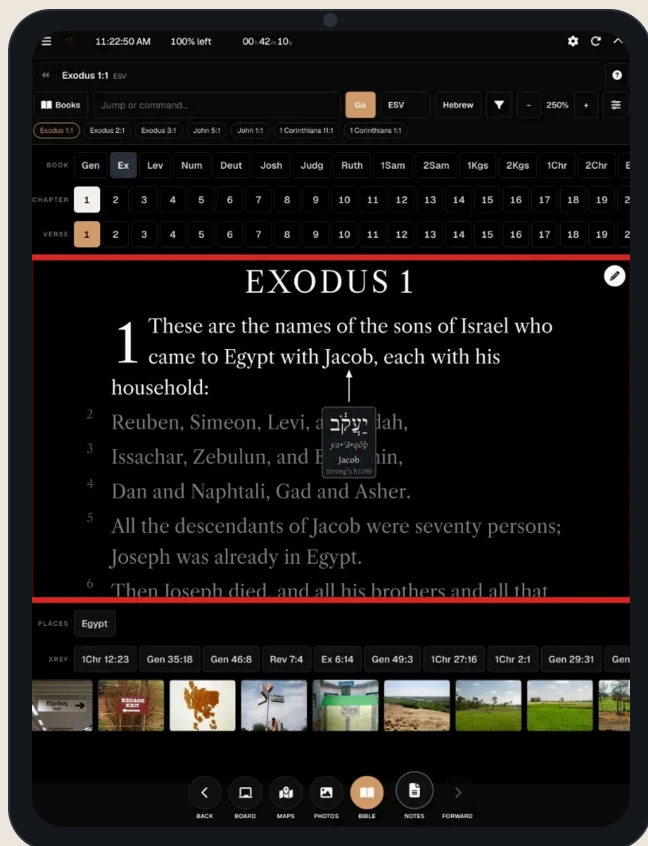

Slides on the Fly?

No problem.

Mid-sermon, open any passage on the projector from the tablet — no slide to build first. Focus a verse, tap a word for Greek or Hebrew, draw as you teach.

- Jump to any book, chapter, or verse in seconds
- Spotlight the verse you're on while the surrounding text stays dimmed
- Tap a word for Greek or Hebrew without leaving the passage
- Draw and highlight on the live text as you teach

ALSO LIVE Maps, Whiteboard, Bible photos, and Harmony of the Gospels — same mid-sermon flow from the tablet

3D Bible maps & timelines.

Show where the story happened. Animate journeys, zoom to places, and step through locations as you teach.

- 3D animated maps of biblical places and landscapes
- Timelines that put the story in historical context
- Routes and regions you can step through on Sunday

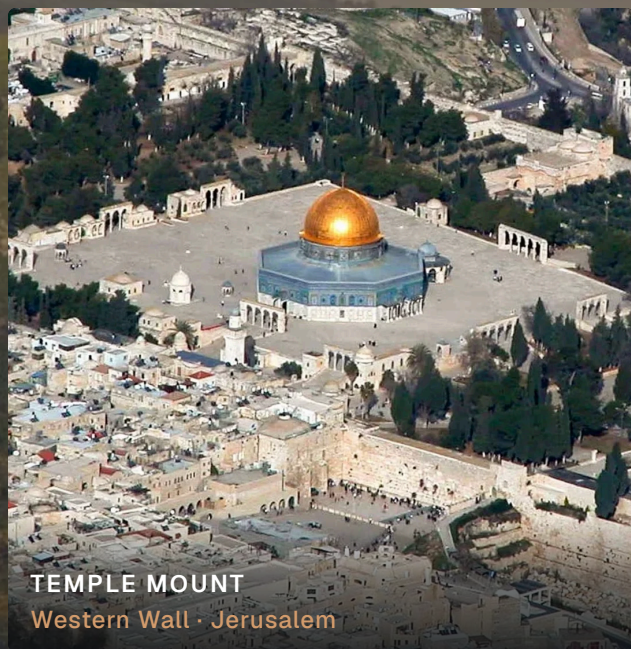

SLIDE TYPE

60,000 Bible images — included.

A \$599 BiblePlaces.com photo library — each image tagged to the verses it illustrates.
